

# EDUBAT

Education Taking Flight

We inspire, excite, and activate students to conserve our bats through inquiry-based learning!

\*Free curriculum that offers hands on, real world, and relevant learning across disciplines.

\*Free interpretive materials that can be used in the classroom or outdoors!

\*More than 70 bat education trunks available for free to educators around the country.

\*Free multi-media tools and resources available at:  
<http://batslive.pwnet.org/edubat>

We are making science come alive...

...and building the next generation of environmental stewards!
